**NOTE:** To the best of our knowledge, items are in the condition stated in the catalog. Items are subject to the inspection methods used by the auction committee during the auction lot check in.

**RETURNS:** If a successful bidder determines that an item is damaged or repaired and this was not announced prior to the auction, it may be returned for resale in the auction if brought to the attention of the auctioneer before five more items are sold.

Members submitting lots that are not in the condition stated (Example: Listing an item as MINT when it is damaged or repaired) will not be allowed to put items in the next year's NDPCS auction. If an item is found to be damaged or repaired after the auction has ended, the buyer should contact the owner of that item to resolve the matter.
